STRENGTHS

Storytelling

Excels in creating content that viewers relate, empathize, engage and/or respond to. Whether giving a voice to untold stories or selling an idea, creates compelling work through video production.

Versatility

Strong background in gathering audio/visual content, copywriting, editing and storytelling for a public utility as well as news, academic and professional sports organizations.

Communication

Multimedia specialist with strong interpersonal skills. Able to maintain strong relationships and manage complex business environments.

Attention to Detail

Believes the best kind of job is one done right the first time. Will make sure content produced and content edited has dotted "i's" and crossed "t's".
